Flex-Flash® Drip Plate

Flex-Flash® Drip Plate is a durable, 60-mil thick factory-formed extruded drip edge formulated with Elvaloy® Kee*.

- Extremely tough, with excellent impact and tear resistance
- Flexibility is maintained in all weather environments, even in extreme heat or cold
- Highly resistant to oils and repels most chemicals
- Compatible with most silicone and urethane sealants
- Not susceptible to UV degradation
- Available in colors to match mortar and/or brick: Ivory, Brown, and Gray
- Compatible for use with any Blok-Lok® flashing product

*Elvaloy is a registered trademark of the DuPont Company.

U.S. Pat. No. 6,584,746
Other Patents Pending
